Pāmu Deer Milk

Exclusive, natural and rare from the South Island of New Zealand. Peter and Sharon McIntyre are a fifth-generation farming family with a farm set deep in the stunning South Island of New Zealand. The deer are farmed with all the natural nutritional goodness of grass-fed pastures and are free to roam outdoors. Pāmu Deer Milk is an exclusive and rare ingredient. Rich in protein, high in fat, Pāmu Deer Milk has a clean, mild flavour and pure white colour. It is deliciously creamy with a silky mouth feel.
