Pool Parties

Availability will depend on house guest numbers and events being held at the Ascot Park Hotel so as to not interfere with in house guests. **A credit card number must be on file to confirm a booking.** Full payment must be received prior to key collection.

- Upon arrival at the hotel, we require the parent to officially 'check in' at reception. This assists our Duty Managers who will meet with you soon after your arrival to check that everything is set up to your requirements and also enables us to track guests in the hotel in the unlikely event of an emergency.
- To ensure the safety of the children attending the pool party, there must be a sufficient number of adults supervising the party at all times.
- The pool depth is 1.10m - 1.42m. To assist with their safety whilst in the pool, we appreciate that parents provide any young children with flotation devices and all children under the age of 8 are accompanied by an adult in the pool.
- All guests using the pool or spa do so at their own risk.
- Children are **not allowed in the sauna** because of the health & safety risk to children with lockable doors and high temperatures. The gym area is also out of bounds to children because of the danger of pulleys & heavy weights. Please note that gym facility is still available for other house guests (it's up stairs but access through pool area is required).
- IMPORTANT:** We do not allow any food to be bought on the premises due to Food Safety Regulations. We are however happy for you to provide items such as Birthday Cake, lollies and potato chips anything else that we can provide we need to be catering for.
- At the conclusion of each pool party it is expected the venue is left in a similar state as to how it was found. Extra labour required for the clean up process can and will be charged for on the day. This call will be made by the Duty Manager upon conclusion of the pool party.
- Glassware is not to be taken in to the pool**, our bar staff will provide you with plastic ware if required.
- Food is to be served well away from the pool itself, as instances of food being spilt in the pool may result in having to empty, clean and refill the pool at a cost to the client.

Complaints by house guests of excessive noise or disturbance or non compliance with the above policy will result in the pool party being cancelled without refund.
